Our Community

Moose Credit Union is committed to the credit union philosophy of "People Helping People" and continually gives back to the communities it serves. Our credit union and staff are proud to support the community in which we live and work.

Once you've clicked on New User you will be brought to:

Step 1 of the enrollment process. Enter your account number, random code, and PIN. The PIN is the last four numbers of the primary members SSN. If you click on the "?" next to the PIN it will indicate to enter the last four of the primary members SSN.

Welcome to Mocse Credit Union Internet Banking.

Account:

Random Code:

PIN: ?

[New Users](#) [Existing User](#) [Forgot User ID](#)

Step 2 in the enrollment process is verifying the primary members SSN, 5 digit zip code, and primary member's date of birth.

New User Information

As a new home banking user, for your security, please provide the following information. You will not be asked for this information again.

Thank you!

Last 4 Digits of Primary Member's Social Security Number (format is nnnn)

Home Zip Code (format is nnnnn)

No Zip Code

Date Of Birth

MM

DD

CCYY

Submit

Step 3 in the enrollment process is entering a valid email address. If you already have an email address on file you **WILL NOT** be prompted with this screen. You will be asked to enter it twice and must be entered exactly the same way both times. Click on "Change E-Mail Address" (even though it's a new email address).

[Step 1](#) [Step 2](#) [Step 3](#) [Step 4](#) [Step 5](#)

Email Address

Please confirm your e-mail address that the Credit Union has on file. This must be a valid e-mail address so that we can send you a validation e-mail for you to validate your registration.

Change E-Mail Address

Please update your email address.

Entering your E-mail address allows us to contact you with important information about your Internet Banking account. It is very important that you update your E-mail address here if it ever changes.

E-mail Address:

Confirm E-mail Address:

Change E-Mail Address

Reset

Step 4 in the enrollment process is to create a password. Enter the PIN which is the last four numbers of the primary members SSN. Enter a password that meets the rules that are stated on the screen. Re-enter the password to confirm they're the same. Click Submit.

Step 1 Step 2 Step 3 Step 4 Step 5

New Password

You must now choose a new password for the online banking system using your pin.

Change Password

Your Internet Banking Password ensures that only you can access your confidential information. Currently your password is your PIN. This must now be changed to a password of your choosing.

The rules for your new password are:

- 10 to 25 characters containing both letters and numbers.
- Special characters are permitted with the exception of a space.
- Passwords are case-sensitive.
- Cannot be your SSN or your Account number.
- Cannot be your User ID or Email address.
- Cannot be any of your previous 3 passwords.

Please remember this Password and keep it secure. If you forget your password, you will have to call Mocse Credit Union to have it reset.

Enter all passwords requested.

PIN

New Password

Re-Enter New Password

Step 5 in the enrollment process is to set your Security Key. This Security Key will display every time you log into internet banking right above the password entry field. This is a new feature.

Step 1 Step 2 Step 3 Step 4 Step 5

User Security Key

Select a word or phrase that will be shown during the login process where you enter your password.

Change Security Key

Please enter a word that will be shown to you during the login process. It may not contain spaces or special characters.

Your Security Key:

Step 6 in the enrollment process is setting the User ID. The User ID can be 5 – 25 characters and is NOT case sensitive. Once the User ID is set click on “Change User ID”.

Step 1 Step 2 Step 3 Step 4 Step 5

User ID

With Internet Banking, we now enter a User ID instead of an account number to log on. We ask that you choose a new User ID that you will use to access your account instead of your account number.

Change Your User ID

Personalize your User ID below for use when logging on to your account. Username's must be 5 to 25 letters and/or numbers.

Current User ID: You currently have no User ID set.

User ID:

Step 7 in the enrollment process is reading and accepting the Disclosure. You must scroll all the way to the bottom of the screen in order to click on “I Agree”.

Step 1 Step 2 Step 3 Step 4 Step 5

Internet Banking and Bill Payment Agreement

Effective Date: 11/5/2014
Electronic Services Department:
3600 Coffee Road
Modesto CA 95355
(209) 572-3600 or 800-44-MOCSE

PLEASE READ THE ENTIRE AGREEMENT CAREFULLY BEFORE ENROLLING IN THE SERVICE OR INITIATING ANY TRANSACTIONS.

1. Scope of Agreement

This Agreement between you and Mocse Federal Credit Union (Mocse), 3600 Coffee Road Modesto CA 95355 governs your use of our Internet Banking and Bill Payment services (the "Service"). The Service permits our Members to perform a number of banking functions on accounts linked to the Service through the use of a personal electronic device and the Internet.

2. Accepting the Agreement

After you have carefully read this Agreement in its entirety and the linked Privacy Notice, you will be asked to accept the terms and conditions of this Agreement.

WHEN YOU CLICK ON THE "I AGREE" BUTTON BELOW, YOU AGREE TO BE BOUND BY ALL OF THE TERMS AND CONDITIONS OF THIS AGREEMENT.

I have read the disclosure displayed and agree to the terms and conditions

Step 8 in the enrollment process is the **Multifactor Authentication**. Here you click on “Continue” to set up three security questions.

Step 1 Step 2 Step 3 Step 4 Step 5

Multifactor Authentication

Internet Banking uses additional information to ensure the identity of a person accessing an account from a computer which has not accessed that account before. You will be asked to select from a pre-defined list of questions and an accompanying list of answers. Once you choose this question and answer, you will not be asked for this information again, unless online banking is unable to verify your previous answers on your computer.

This is recorded with a cookie via your browser. Clearing your browser cache and/or deleting cookies may cause online banking to request you to re-verify your previous answer to the secret question you previously selected when logging onto your account in the future.

Security Challenge

For your security, Internet Banking now includes an ID Check. You will now be assisted to setup security questions which will be used to validate your identity.

 ID Check

I wish to set up my questions another time.

Step 9 in the enrollment process is setting the security questions (a.k.a. MFA questions). Please choose three questions and choose answers for the three questions.

Step 1 Step 2 Step 3 Step 4 Step 5

Multifactor Authentication

Internet Banking uses additional information to ensure the identity of a person accessing an account from a computer which has not accessed that account before. You will be asked to select from a pre-defined list of questions and an accompanying list of answers. Once you choose this question and answer, you will not be asked for this information again, unless online banking is unable to verify your previous answers on your computer.

This is recorded with a cookie via your browser. Clearing your browser cache and/or deleting cookies may cause online banking to request you to re-verify your previous answer to the secret question you previously selected when logging onto your account in the future.

Security Challenge

Please update your challenge questions below. You will be prompted to answer these questions periodically to validate your identity when using Internet Banking.  ID Check

Select a question and an answer to update your questions. Use the drop down list to choose a question.

<input type="text" value="Select Question"/>	<input type="text" value="Select Answer"/>
<input type="text" value="Select Question"/>	<input type="text" value="Select Answer"/>
<input type="text" value="Select Question"/>	<input type="text" value="Select Answer"/>

Step 10 in the process is confirming the security questions. The screen states that the questions have been saved and how you can change them in the future. Click on “Continue”.

Step 1 Step 2 Step 3 Step 4 Step 5

Multifactor Authentication

Internet Banking uses additional information to ensure the identity of a person accessing an account from a computer which has not accessed that account before. You will be asked to select from a pre-defined list of questions and an accompanying list of answers. Once you choose this question and answer, you will not be asked for this information again, unless online banking is unable to verify your previous answers on your computer.
