**Coming this Spring! The Joker:** The most anticipated new coaster to come to Northern California in 10 years will open at Six Flags Discovery Kingdom. The ride will feature a state-of-the-art experience that combines both classic and modern coaster designs. As the second DC Comics-themed attraction at the park, The Joker features 3,200 feet of dual-colored purple and green steel track atop a wooden base. On this new adventure, you'll race through chaotic twists and turns, including a first ever step-up under-flip, inverted roll that takes riders horizontal. The Joker also has a unique breaking wave turn, the only one of its kind on the West Coast. Additionally, you'll tackle a wild Zero G barrel roll, three unbelievable inversions and 15 moments of airtime like you've never experienced before at ride speeds up to 53 miles per hour.
